Humanities Texas awards grants to support public programs that draw upon the humanities to increase understanding of the human experience. Through this grant, a traveling exhibit, “Images of Valor: U.S. Latinos and Latinas in World War II” will be placed at the Terrazas Branch Library beginning the last week of October and continuing through December, 2008 to honor our veterans over Veterans' Day 2008. A public program will take place on December 1st. Maggie Rivas-Rodriguez, Ph.D., Associate Professor at the University of Texas at Austin, will speak about United States Latino & Latina participation in World War II. Grant funds will be used for supplies and marketing materials to support the exhibit and program.

All department grant application requests are reviewed by the Budget office prior to submission to ensure that the grant minimizes the financial impact to the City.
